VI. Infrastructure Funding

- A. Purpose. This section establishes the terms and conditions by which partners will contribute to basic infrastructure costs (facility and technology) to provide Access at the Career Center located at 309 E. Fifth Avenue, Moses Lake, Washington.
- B. Costs. The basic facility and technology costs that partners agree to support are shown in Appendix B. Facility is space designated to provide Access (rent, custodial, utilities & maintenance) for portions of shared “front-end” rooms (entrance, greeting, resource, interview & meeting) together with walkways, break and restrooms. It also includes a portion of internet/phone connectivity. Future infrastructure costs may include kiosk, signage, outreach, ADA accessibility and a fiscal management.
- A. Allocation. Each partner shall pay an equal share of infrastructure costs as shown in Appendix B. At this time, eight partners provide 13 federal one-stop programs. Should a partner discontinue administering such federal program in the Grant/Adams labor market, or a new partner joins, the allocation will be reset for the next renewal period. No refunds, rebates or surcharges are anticipated.
- B. Period. This funding is for a twelve (12) month period. The amounts are not precedential and will be reviewed, revised, and extended as agreed by the partners and WDC.
- C. Fiscal Management. SkillSource will perform accounting necessary (receipts and disbursements) to implement this section. Fiscal Management will be performed in accordance with 2 CFR Part 200. All inquiries, payments and claims shall be sent to:

Laura Leavitt, Fiscal Director
SkillSource
240 N. Mission Street
Wenatchee, WA 98801
509-663-3091
laura@skillsource.org

- D. Assumption
Where partner programs are provided through contract or lease, payment is made through such contractor or lessor. By way of example, at Central Basin, DSHS sub grants TANF funds to ESD. Furthermore, ESD expends a portion of such funds for building space to house TANF services. ESD also pays rent to SkillSource to house Labor Exchange services, as does DVR. As a result, SkillSource will pay ESD, CSD and DVR’s share of facility Infrastructure costs. Appendix B is intended to show this assumption.
- E. Billing and Payment. Contributions will be invoiced quarterly and payments due within 30 days after payment due date. After payments are received, SkillSource shall disburse revenues to applicable facility and technology owners and leaseholders. All funds collected will be remitted to the appropriate property owner or lease holder. Technology revenues will be disbursed to Washington State Employment Security Department. Facility revenues will be retained by SkillSource.
- F. Modification. Partners and WDC shall undertake modifications collaboratively. Any change must be in writing and signed by all affected partners and WDC.
- G. Assurances. Each party in this MOU may reasonably use designated shared space to provide Access. Any disputes arising out of shared space use shall be resolved by the Operator. The Career Center building owner is responsible for assuring compliance with accessibility requirements of the Americans with Disabilities Act.

VII. Accessibility

All persons, including individuals with barriers to employment, will encounter a welcoming environment, multi-media information and flexible hours in order to learn about the partners' programs and services.

Physical Accessibility

One-stop centers will maintain a culture of inclusiveness and the physical characteristics of the facility, both indoor and outdoor, will meet the latest standards of accessible design. Services will be available in a convenient, high-traffic, and accessible location, taking into account reasonable distance from public transportation and adequate parking (including parking clearly marked for individuals with disabilities). Indoor space will be designed in an "equal and meaningful" manner providing access for individuals with disabilities.

Virtual Accessibility

WorkSource Central Basin will ensure that workers and businesses have access to the same information online as they do in a physical facility. Partners will communicate so public can readily understand and consume such information. Partners will usually have a website explaining the services available by their One-stop program.

Communication Accessibility

Individuals with sensory disabilities can communicate (and be communicated with) on an equal footing with those who do not have such disabilities. All partners agree that they will provide accommodations for individuals who have communication challenges, including but not limited to individuals who are deaf and hard of hearing, individuals with vision impairments, and individuals with speech-language impairments.

VIII. Equal Opportunity

All parties to this MOU certify that they prohibit, and will continue to prohibit, discrimination, and they certify that no person, otherwise qualified, is denied employment, services, or other benefits on the basis of: (i) political or religious opinion or affiliation, marital status, sexual orientation, gender, gender identification and/or expression, race, color, creed, or national origin; (ii) sex or age, except when age or sex constitutes a bona fide occupational qualification; or (iii) the physical or mental disability of a qualified individual with a disability.

The parties specifically agree that they will comply with Section 188 of the WIOA Nondiscrimination and Equal Opportunity Regulations (29 CFR Part 38; Final Rule December 2, 2016), the Americans with Disabilities Act (42 U.S.C. 12101 et seq.), the Non-traditional Employment for Women Act of 1991, titles VI and VII of the Civil Rights of 1964, as amended, Section 504 of the Rehabilitation Act of 1973, as amended, the Age Discrimination Act of 1967, as amended, title IX of the Education Amendments of 1972, as amended, and with all applicable requirements imposed by or pursuant to regulations implementing those laws, including but not limited to 29 CFR Part 37 and 38.

IX. Jobs for Veterans Act

Partners agree to comply with the federal Jobs for Veterans Act (P.L. 107-228) as applicable, as well as Washington State Policy 1009 Revision 1: Priority of Service for Veterans and Eligible Spouses.

X. Supplemental Agreements

To ensure flexibility for all partners within this Agreement, it is understood and agreed that two or more partners may enter into separate Supplemental Agreements among themselves. These Supplemental Agreements shall not preclude or negate any terms or conditions set forth in this Agreement (MOU).

XI. Indemnification

The partners recognize that the partnership consists of local, state, federal agencies, not-for-profit, and for-profit entities. Each partner shall hold harmless other partners from all claims, costs, damages, or expenses arising out of the negligence of the partners. In the case of negligence of two or more partners, any damages allowed shall be levied in proportion to the percentage of negligence attributable to each partner.

XII. Amendment or Cancellation of Agreement

The Agreement may be amended at any time in writing and by mutual consent of the partners, and the Workforce Development Council. Partners suggesting a modification to any element in the MOU must submit the proposed change in writing to the WDC providing 60 days for discussion with the other partners. Each partner may cancel its participation in the Agreement upon sixty (60) days written notice to the other partners. In the event a partner determines that funds are unavailable to carry out the activities set forth in this Agreement, the partner shall terminate this Agreement by notifying all other partners and the Workforce Development Council in writing immediately, and the Agreement shall terminate upon the delivery of such written notification. When the cancellation is for cause, i.e., a material and significant breach of any of the provisions of this Agreement, it may be canceled upon delivery of written notice to the other partners.

XIII. General Provisions

Partners are expected to meet their responsibilities under this MOU in accordance with the laws and regulation which govern their activities. Nothing in this MOU is intended to negate or otherwise render ineffective any such provisions or operating procedures.

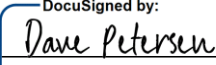

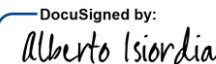

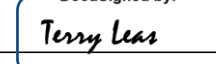

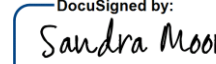

Nothing in this section prohibits a partner from sharing co-location costs with one or more additional partners. Cost-sharing resources may include cash, in-kind, or other. Each partner is responsible for the costs of its agency in carrying out that agency's commitments of Section V. In no event shall any agency be obligated to pay any expense incurred by another agency under this Agreement.

XIV. Transition

Partners agree to make a good faith effort to fulfill these MOU commitments. Implementation is expected to be gradual and steady during a one year transition period.

XV. Signatures

The undersigned agencies agree to the faithful performance of this Agreement.
