In no event, except as may be provided in a Supplemental Agreement, shall any Agency be obligated to pay or reimburse any expense incurred by another Agency under this Agreement.

As such, Partners agree to adhere to the following Non-discrimination requirements:

XIV. Local MOU Dispute Resolution:

One Stop emphasizes full and effective partnerships between local boards, chief elected officials and one-stop partners. Local boards and partners must enter into good-faith negotiations. The parties to this agreement agree to communicate openly and directly and that every effort will be made to resolve any problems or disputes in a cooperative manner.

As partners negotiate the MOU or amendments, issues concerning provisions, language, performance or administration of this MOU, may result in failure to agree. If an impasse in negotiations occurs between any of the partners (except the WDC), the following steps will occur:

(1) the parties will document the negotiations and efforts that have taken place to resolve the issues; (2) the WDC Executive Director will meet with the parties involved in the dispute in order

to attempt to resolve the issue. The WDC Executive Director will issue a written recommendation for resolving the issue.

If the parties do not agree to the aforementioned written recommendation, or if the dispute is between the WDC and a partner, the WDC, chief elected official and partners may request assistance from Employment Security, the Governor, the State Board, or other appropriate parties. The Employment Security Department, the State Board, and the Governor may also consult with the appropriate Federal agencies to address impasse situations after exhausting other alternatives. The entity that has been consulted can issue a recommendation for resolving the issue. If this recommendation is not accepted by all parties, the following steps must occur:

The WDC and partners must document the negotiations and efforts that have taken place. Any failure to execute an MOU between the WDC and a required partner must be reported by the WDC to the Commissioner of the Employment Security Department (ESD) and to ESD' s Assistant Commissioner for its WorkSource Standards and Integration Division (WSID). The Commissioner, in consultation with the Chief Local Elected Official, can issue a recommendation for resolving the impasse. Alternatively, the Commissioner may propose options such as asking the parties to seek third-party mediation or consultation with the Governor's Office to develop a resolution.

If an impasse has not been resolved through the alternatives available under this section, any partner that fails to execute an MOU may not be permitted to serve on the WDC. In addition, if the WDC fails to execute an MOU with all of the required partners, it is not eligible for State incentive grants awarded on the basis of local coordination of activities under 20 CFR 665.200(d)(2). These sanctions are in addition to, not in lieu of, any other remedies that may be applicable to the WDC or to each partner for failure to comply with the statutory requirement.
